The Experience

The Altamarea 23 Sport, a 7-meter RIB powered by a 150 HP engine, based in Cannigione, is a sporty and versatile boat designed for flexible and enjoyable day experiences along the stunning Northern Sardinian coastline.

Thanks to its agile design, it allows guests to approach closer to beaches and explore hidden bays, offering a more authentic connection with the sea. The layout features a comfortable bow sunbathing area, while a central shaded seating space provides protection from the sun and a relaxed spot to enjoy the cruise.

It can accommodate up to 10 guests, however for optimal comfort we recommend a maximum of 6 guests plus skipper.

The boat is typically offered with skipper included, but can also be hired as a bareboat (nautical license required).

Perfect for exploring the La Maddalena Archipelago, the Costa Smeralda, and—weather permitting—the southern coast of Corsica.

✦ Freedom, flexibility, and pure fun on the water.
